- All teachers are available after school on most days. Please call ahead for an appointment to make sure we are available.

FEVERS & COVID Please understand that if you know that your child has a fever in the morning before she/he is to go to school, that the child should not be attending school.

The policy of the school is that if a child has a fever (that is not Covid related), the child needs to stay home for 24 hours after the fever has returned to normal on its own. If the child has Covid, it is likely the child will need to remain home at least 10 to 14 days, at the direction of the Ingham County Health Department. Thank you for your cooperation in this matter.

Loving and Leading presentation

KID'S CORNER by Gabby Voss

One day, May was shoved by a bully in school. She wanted to run right into him but she didn't. She knew her parents and God told her not to. So she spread the good word to the bully. "You should put Jesus 1st, others 2nd, and yourself 3rd. That gives you J.O.Y.! The bully considered it and decided to be nice from now on.

Not only did May stop the bully's bad ways; she turned him into a Christian. This means you can help others and do J.O.Y.!
